And if you could flip, please, to page 15. A. Yes. Q. You discussed the paragraph here at some length with plaintiff's counsel this moming, right? A. Yes. Q. I wanted to ask you just a few things here. It says in the paragraph that you reported that Ms. Sandhu had received more preferential treatment than anyone, man or woman, at BlackBerry, correct? A. Yes. Q. Was that true when you said it? Did you believe that Ms. Sandhu had received more preferential treatment		2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	example. You also talked about, with plaintiffs counsel, this line at the end, "Dickman also describes Sandhu as somebody who is untrustworthy, hostile, and negatively impacts the culture of the company." Right? A. Yeah. I think the prior exhibit that you raised, examples that you raised, suggests my state of thought, why I would say that. Q. This was your view at the time, in other words. A. Yeah. I'd say based on the ITB example, and the – the, you know, gala example, wanting to bring the nine up-and-coming, you know, BlackBerry women, and that being so difficult. Q. And your opinion that Ms. Sandhu was untrustworthy, hostile, and negatively impacted the culture of the company, that was not influenced by the fact that Ms. Sandhu was a woman or a person of color, correct? And	1 1 1 1 1 1	7 8 9 10 11 12 13 14 15	bureaucrats or are they politically-appointed. Politically-appointed is very clear, that's government affairs.
